Most claim forms will be printed with an estimated cash payment. **This will most likely be less than the amount you will receive – because this does not include pin debit damages. Therefore, if you accept pin debit transactions be sure to CHECK THE BOX INDICATING THAT YOU DO to increase your settlement. Claim forms must be returned by mail or electronically by November 28.**

**It is NOT necessary to use third-party claims services to receive your share of the settlement.**

Merchants that are a chain or own or operate multiple stores may find that claim forms have been sent to their individual stores. If you receive more than one claim form you may have them consolidated into a single claim to receive one check from the settlement fund. Instructions on consolidating claims will be included with the claim form and are available at the above website.

You also will be able to file claims electronically via the above website by entering your claim number and control number. Merchants are also able to obtain a personalized detailed explanation of their individual recovery through the above website by entering their claim number and control number.

The Garden City Group has established a hotline at the above number for assistance in completing and submitting claim forms.
