Company Description: Merchant Cost Consulting was founded with the purpose of helping businesses navigate the credit card processing industry. Merchant service fees can be difficult to understand and one of the biggest expenses for business owners to incur. Merchant service providers tend to have numerous hidden fees and surcharges, along with large monthly fees that are meant to be purposely deceitful. MCC was established to become a part of our client's team to handle their merchant service fees to ensure they are always paying a fair and honest price.
