TOURNAMENT

Palmer Wildfire • Sunday, January 26

The annual *FMI Food Industry Golf Tournament* will take place Sunday, January 26, on Palmer Signature Golf Course at Wildfire.

We will begin with a brunch at 11:00 a.m. followed by 12:30 p.m. shotgun start.

COURSE INFO

The **Palmer Signature Course** plays up to 7,145 yards, providing a very scenic desert experience. The expansive fairways allow the player to remain in play even on an errant shot. The flashed bunkering on Palmer is superb, and the putting greens carry plenty of undulation, like many Arnold Palmer designs. The expansive square footage of the greens (average size is 7,000 square feet) allow the undulations to create subtle challenges for the short game without feeling contrived or “tricked up”.

Proceeds from the golf tournament benefit the **FMI LEAD (Leadership, Education, Advocacy, Development) Fund**, which supports FMI’s government relations activities, its industry research, coalition efforts and advocacy campaigns.

To RSVP, please visit www.fmi.org/midwinter or contact **Hannah vL. Walker** at hwalker@fmi.org or 202.220.0630
