Note From FMI .....	III
Preface .....	XVII

## Chapter 1

### Retail Food Safety

Learn How To .....	2
Essential Terms .....	4
New Challenges Present New Opportunities .....	5
The Problem: Foodborne Illness .....	8
Contamination .....	9
Microorganisms (Microbes) .....	10
The Food Flow .....	10
A New Approach to an Old Problem .....	11
Facility Planning and Design .....	12
Keeping It Clean and Sanitary .....	12
Education and Training Are Key to Food Safety .....	13
The Role of Government in Food Safety .....	13
The FDA <i>Food Code</i> .....	14
The Role of the Food Industry in Food Safety .....	14
Food Protection Manager Certification .....	15
Discussion Questions ( <i>Short Answer</i> ) .....	18
Quiz 1.1 ( <i>Multiple Choice</i> ) .....	18
Quiz 1.2 ( <i>True/False</i> ) .....	20
References/Suggested Readings .....	20
Suggested Web Sites .....	20

## Chapter 2

### Hazards to Food Safety

Learn How To .....	22
Essential Terms .....	24
Foodborne Illness .....	25
Foodborne Hazards .....	26
Bacteria .....	26
Bacterial Growth .....	29
Spoilage and Disease-causing Bacteria .....	28
What Disease-causing Bacteria Need in Order to Multiply .....	30
Acidity .....	31
Food .....	31
Temperature .....	32
Time .....	32
Moisture .....	33
Oxygen .....	33
Time/Temperature Control for Safety Food (TCS) .....	34
Ready-to-Eat Foods .....	35
Foodborne Illness Caused by Biological Hazards .....	36
Non-Sporeforming Bacteria .....	37
Sporeforming Bacteria .....	37
Foodborne Illness Caused by Viruses .....	40
Foodborne Infections Caused by Parasites .....	41
Foodborne Problems Caused by Chemicals .....	42
Naturally Occurring Chemicals .....	42
Food Allergens .....	42
Natural Toxins .....	44
Added Chemicals .....	44

<b>Foodborne Illness Caused by Physical Hazards</b> .....	45
<b>Summary</b> .....	46
<b>Discussion Questions</b> ( <i>Short Answer</i> ) .....	47
<b>Quiz 2</b> ( <i>Multiple Choice</i> ) .....	48
<b>References/Suggested Readings</b> .....	50
<b>Suggested Web Sites</b> .....	50

## **Chapter 3**

### **Factors that Affect Foodborne Illness**

<b>Learn How To</b> .....	52
<b>Essential Terms</b> .....	54
<b>Factors That Contribute to Foodborne Illness</b> .....	55
<b>What Is Time and Temperature Abuse?</b> .....	56
How to Measure Food Temperatures .....	57
Measuring Food Temperature .....	61
Preventing Temperature Abuse .....	61
When and How to Calibrate a Thermometer .....	60
<b>Keep Cold Foods Cold and Hot Foods Hot!</b> .....	64
<b>The Importance of Handwashing and Good Personal Hygiene</b> .....	66
Using Disposable Gloves .....	70
Outer Clothing and Apparel .....	71
Personal Habits .....	71
Personal Health .....	72
<b>Cross Contamination</b> .....	73
<b>Other Sources of Contamination</b> .....	75
<b>Summary</b> .....	77
<b>Discussion Questions</b> ( <i>Short Answer</i> ) .....	78
<b>Quiz 3</b> ( <i>Multiple Choice</i> ) .....	78

References/Suggested Readings .....	80
Suggested Web Sites .....	80

## Chapter 4

### Following the Food Product Flow

Essential Terms: .....	84
Buying from Approved Sources .....	85
Inspecting Delivery Vehicles .....	85
Determining Food Quality .....	86
Measuring Temperatures at Receiving and Storage .....	86
Following the Flow of Food .....	87
Receiving .....	88
Reduced Oxygen Packaging (ROP) .....	89
Packaged Foods .....	89
Meat & Meat Products .....	94
Poultry .....	95
Eggs .....	96
Game Animals .....	96
Fluid Milk .....	97
Milk Products .....	97
Butter .....	98
Cheese .....	98
Fish and Shellfish .....	98
Fruits and Vegetables .....	100
Juice .....	101
Types of Storage .....	102
Frozen Foods .....	102
Storage of Food .....	102

Refrigerated Storage .....	103
Freezer Storage .....	104
Dry Storage .....	104
Chemical Storage .....	105
Ingredient Substitution .....	106
Avoiding Temperature Abuse .....	106
Food Preparation, Handling, and Service .....	106
Thawing .....	107
Cold-holding .....	109
Frozen, Ready-to-eat Foods .....	110
Prepackaged Foods .....	110
Cooking .....	111
Cooling .....	113
Hot-holding and Reheating .....	114
Time as a Public Health Control .....	115
Discarding or Reconditioning Food .....	116
Food Handling .....	116
Refilling Returnable Containers .....	117
Checkout and Bagging .....	118
Rules for Self-service Bars .....	118
Self-service Bar .....	118
Temporary Facilities and Mobile Food Facilities .....	119
Vending Machines .....	120
<b>Summary .....</b>	<b>122</b>
<b>Discussion Questions (Short Answer) .....</b>	<b>123</b>
<b>Quiz 4 (Multiple Choice) .....</b>	<b>123</b>
<b>References/Suggested Readings .....</b>	<b>127</b>
<b>Suggested Web Sites .....</b>	<b>127</b>

## Chapter 5

### Facilities, Equipment, and Utensils

Learn How To: .....	130
Essential Terms: .....	132
<b>Design, Layout, and Facilities</b> .....	<b>133</b>
Regulatory Considerations .....	134
<b>Work Center Planning</b> .....	<b>134</b>
<b>Equipment Selection</b> .....	<b>135</b>
Size and Design .....	135
Construction Materials .....	136
Metals .....	136
Stainless Steel .....	136
Plastic .....	137
Wood .....	137
<b>Types of Equipment</b> .....	<b>138</b>
Cooking Equipment .....	138
Ovens .....	138
Refrigeration and Low-temperature Storage Equipment .....	139
Reach-in Refrigeration .....	141
Cook-chill and Rapid-chill Systems .....	142
Slicers .....	143
Hot-holding Equipment .....	143
Ice Machines .....	144
Mixers, Grinders, Choppers, Tenderizers, and Saws .....	144
Ambient Temperature Display Equipment .....	146
Live Seafood Display and Holding Tanks .....	147
Single-service and Single-use Articles .....	148
Warewashing Equipment .....	148

Manual Warewashing .....	149
Mechanical Warewashing .....	149
Devices Used to Generate Chemicals On-site .....	150
Installation .....	151
Maintenance and Replacement .....	151
Lighting .....	152
Heating, Ventilation, and Air Conditioning (HVAC) .....	154
<b>Summary</b> .....	<b>155</b>
<b>Discussion Questions (Short Answer)</b> .....	<b>156</b>
<b>Quiz 5 (Multiple Choice)</b> .....	<b>156</b>
<b>References/Suggested Readings</b> .....	<b>159</b>
<b>Suggested Web Sites</b> .....	<b>159</b>

## Chapter 6

### Cleaning and Sanitizing Operations

<b>Learn How To:</b> .....	<b>162</b>
<b>Essential Terms:</b> .....	<b>164</b>
<b>Principles of Cleaning and Sanitizing</b> .....	<b>165</b>
Application of Cleaning Agents .....	166
Clean-in-place Systems .....	166
Soaking .....	166
Spray Methods .....	166
Removal of Food Particles .....	166
Abrasive Cleaning .....	167
Rinsing .....	167
Detergents and Cleaners to Be Used .....	168
Cleaning Frequency .....	170

<b>Sanitizing Principles</b> .....	172
Heat Sanitizing .....	172
Chemical Sanitizing .....	173
Factors That Affect the Action of Chemical Sanitizers .....	175
Chemicals for Washing, Treating, Storing and Processing Fruits and	
Chlorine .....	175
Iodine .....	176
Quaternary Ammonium Compounds .....	176
Mechanical Warewashing .....	177
Process .....	177
Manual Warewashing .....	179
Cleaning Fixed Equipment .....	181
Cleaning Environmental Areas .....	184
Ceilings and Walls .....	185
Floors .....	185
Diarrheal Events .....	186
Procedures for Responding to Clean Up of Vomiting and .....	186
Vegetables .....	187
<b>Summary</b> .....	189
<b>Discussion Questions (Short Answer)</b> .....	190
<b>Quiz 6 (Multiple Choice)</b> .....	191
<b>References/Suggested Readings</b> .....	193
<b>Suggested Web Sites</b> .....	193

## **Chapter 7**

### **Environmental Sanitation and Maintenance**

Learn How To .....	196
Essential Terms .....	198

<b>Condition of the Establishment</b> .....	199
Proper Water Supply and Sewage Disposal System .....	199
Condition of Building .....	200
Floors, Walls, and Ceilings .....	200
Floors .....	201
Walls and Ceilings .....	202
Handwashing Sinks .....	202
Restroom Sanitation .....	202
<b>Plumbing Hazards in Retail Food Establishments</b> .....	204
Backflow .....	204
Cross Connections .....	204
Methods and Devices to Prevent Backflow .....	205
Backflow Prevention Devices on Carbonators .....	206
Grease Traps .....	207
<b>Garbage and Refuse Sanitation</b> .....	207
Inside Storage .....	208
Outside Storage .....	208
Pest Control .....	209
Insects .....	210
Rodents .....	212
Runways and Burrows .....	212
Signs of Rodent Infestation .....	212
Rodent Control .....	213
Droppings .....	213
Gnawings .....	213
Rub Marks .....	213
Tracks .....	213
Integrated Pest Management (IPM) .....	214

Summary .....	215
Discussion Questions ( <i>Short Answer</i> ) .....	216
Quiz 7 ( <i>Multiple Choice</i> ) .....	216
References/Suggested Readings .....	218
Suggested Web Sites .....	219

## **Chapter 8**

### **Food Safety Management Programs**

Learn How To .....	220
Essential Terms .....	222
The Problem .....	223
The Solution .....	223
Start with a Good Set of Instructions .....	224
The HACCP Approach to Food Safety .....	227
The Seven Principles in a HACCP System .....	228
Retail HACCP: A Process Approach .....	230
Food Safety Management and HACCP Requirements .....	234
Other Food Safety Management Programs .....	234
Coding and Product Identification .....	236
Food Recall Procedures .....	237
Challenges of Food Safety Management .....	237
Summary .....	238
Discussion Questions ( <i>Short Answer</i> ) .....	239
Quiz 8 ( <i>Multiple Choice</i> ) .....	239
References/Suggested Readings .....	241
Suggested Web Sites .....	242

## Chapter 9

### Food Safety Regulations and Crisis Management

<b>Learn How To</b> .....	244
<b>Essential Terms</b> .....	246
<b>State and Local Regulations</b> .....	247
Permit to Operate .....	247
<b>Federal Agencies</b> .....	249
Other National Food Safety Related Organizations .....	251
<b>Inspection for Wholesomeness, Grading, and Generally Recognized As Safe</b> .....	252
<b>Food Recall</b> .....	252
<b>Food Labeling</b> .....	253
Nutrition and Ingredient Labeling .....	253
Food Allergen Labeling and Consumer Protection Act .....	254
Safe Food-handling Label .....	254
Date Marking for Ready-to-eat, TCS Foods .....	255
Safe Handling Instructions .....	255
<b>Recent Initiatives in Food Safety</b> .....	257
Food Safety Modernization Act .....	257
National Food Safety Initiatives .....	258
Consumer Advisory .....	259
The Fight BAC!™ Campaign .....	259
<b>Crisis Management</b> .....	260
Water Supply Emergency Procedures .....	260
<b>Foodborne Illness Incident or Outbreak</b> .....	262
Check the Product Source .....	263
Food Defense .....	263
Formal Investigations .....	263
<b>Summary</b> .....	265

Discussion Questions ( <i>Short Answer</i> ) .....	266
Quiz 9 ( <i>Multiple Choice</i> ) .....	266
References/Suggested Readings .....	268
Suggested Web Sites .....	269
<b>Glossary</b> .....	271
<b>Appendix</b>	
Appendix A—Answers to the end-of-chapter quizzes .....	293
Appendix B—The Process for Determining Time/Temperature Control for Safety Food (TCS) .....	294
Appendix C—Summary of Agents That Cause Foodborne Illness .....	297
Appendix D—Multi-tiered, Risk-based Employee Health System .....	301
Appendix E—Conditional Employee or Food Employee Reporting Agreement .....	316
Appendix F—Conversion Table for Fahrenheit and Celsius for Common Temperatures Used in Food Establishments .....	318
Appendix G—Areas of Knowledge Deemed Important for the Person in Charge .....	319
Appendix H—New Risk Designations for <i>Food Code</i> Provisions .....	321
<b>Index</b> .....	323
