Company Description: Since 2006, we've provided a solution for companies that desire to have best-in-market representation. You no longer have to choose between regional expertise and a national broker. With OSMG, you get the best of both worlds.

How it works

Each OSMG partner serves as an independently-owned regional broker, with personal relationships and familiarity with their specific accounts in their region of the country.

When you decide that you want nationwide coverage, the partners join together seamlessly to create one cohesive broker - On Shelf Marketing Group (OSMG).

The same time and dedication you would receive in a local setting is applied throughout the nation.
