| Company Description: | Four generations of the Reichart family have been producing premium quality tomato products since 1942, when it began producing tomato products for the soldiers overseas. Since then Red Gold has become the largest privately-owned tomato processor in the nation with three state-of-the-art facilities in Elwood, Geneva, and Orestes, Indiana. The company also boasts a million square foot distribution center in Orestes and operates a wholly-owned subsidiary RG Transport trucking fleet in Elwood. Partnering with over 50 family farms across Indiana, southern Michigan, and Northwest Ohio to sustainably produce premium quality canned tomatoes, ketchup, sauces, salsas, and juices for foodservice, private brands, export, co-pack and club channels of distribution. The Red Gold family of consumer brands includes Red Gold, Redpack, Tuttorosso, and Sacramento. Exceptional quality and operational excellence are the shared values that contributed to the employee-created mission statement: “To produce the freshest, best tasting tomato products in the world.” |
