Company Description:	We are known for our fast lead times and competitive pricing The market leader CSF is the leading manufacturer of aftermarket parts and accessories in North America. We are known for fast lead times and competitive pricing. With more than 250,000 sq.ft. of manufacturing facilities, we are constantly expanding and growing our capabilities and reducing lead times to better serve our customers. CSF has built one of the largest part libraries in the business and if we do not support your case, one of our design engineers can visit your store to develop a custom solution. We bring more than 25 years of experience to an industry where small details make the difference between success and failure. Mission To continue to be the globally preferred brand in efficient and competitive refrigeration display parts, the most trusted company in custom-engineered units and parts, and the best customer service provider in the industry. Objective To design manufacture and install only the highest quality aftermarket display parts for commercial refrigerated cases and product displays in the Americas. We manufacture parts for highly recognized brands around the world, such as Hussmann, Hill Phoenix, Kysor-Warren, Tyler and Zero Zone
