The market leader

CSF is the leading manufacturer of aftermarket parts and accessories in North America. We are known for fast lead times and competitive pricing.

With more than 250,000 sq.ft. of manufacturing facilities, we are constantly expanding and growing our capabilities and reducing lead times to better serve our customers.

CSF has built one of the largest part libraries in the business and if we do not support your case, one of our design engineers can visit your store to develop a custom solution.

We bring more than 25 years of experience to an industry where small details make the difference between success and failure.
