Company Description: UEP's first organizational meeting was held in Chicago on November 12, 1968 at which time egg producers from across the U.S. recognized the need for a regional cooperative organization to address the needs of the industry. Thus, five regional offices were created: Midwest UEP, Southern UEP, North Atlantic UEP, West Coast and Northwest United Egg Producers. A federated Capper-Volstead Agricultural Cooperative was structured with membership available to producers who are engaged as a farmer in the production of table eggs. Membership is also available to owners of breeder flocks, hatcheries, pullets growers, contract egg producers, and farm cooperatives that meet the requirement of owned or leased facilities.

In October 1998, the by-laws of UEP were amended thereby changing the organization to a direct member organization.
