| Products / Services: | Beverages |
| Company Description: | The Molson Coors Beverage Company is a multinational brewing company, formed in 2005 by the merger of Molson of Canada, and Coors of the United States. It is the world's seventh largest brewer by volume<br><br>While the company is incorporated in the United States, it is traded on stock exchanges in both the United States and Canada, and control is equally shared between the Molson and Coors families. The company is headquartered at 1801 California Street, a 1,372,179-square-foot (127,479.6 m2), 53-story building formerly known as the Transamerica Tower in Denver. It occupies 67,000-square-foot (6,200 m2) of space located on the 45th, 46th and part of the 47th floors of the structure.[7][8]<br><br>Molson Coors expanded significantly after the merger of Anheuser-Busch InBev and SABMiller in October 2016. This was achieved because during the plans for the merger, SABMiller had agreed to divest itself of the Miller brands by selling its stake in MillerCoors to Molson Coors.[9] |
