Company Description:	Innovation and a focus on the future since 1983. AHT Cooling Systems GmbH has been operating successfully in the field of commercial refrigeration for more than 30 years. During this time, our ceaseless pursuit of innovation has allowed us to continuously push the envelope in our industry for the benefit of our customers – today and in the future. At the AHT headquarters, the heart of our company, our cutting-edge cooling systems are designed and produced on a production area of more than 60.000 m2. More than 200.000 units leave our headquarters every year. We are one of the world leaders in our main area of business – the production of plug-in coolers and freezers for the commercial sector. Our systems are delivered to all major global discounters and supermarket chains as well as a number of renowned producers in the ice-cream and drinks industry via successful partnerships. Our overarching philosophy is built on the pillars sustainability, energy efficiency, innovation and maximum customer benefit. Our awareness for quality and environmental consciousness is not only confirmed by our ISO certifications 9001 (Quality management) and 14001 (Environmental management) – we live it continuously through our resource-conserving production processes and ecologically-minded products, every single day; for we will always strive to fulfill the high expectations our customers have in our products and the brand AHT. Specialties Plug In R290 Multi-temp Display Cases, Water Cooled & Self Contained Refrigeration Systems, Food & Beverage Specialty Coolers, Mechanical Design and Store Planning, After Market Services, Commercial Refrigeration, and Refrigeration
