Company Description:	PICS Inventory Specialists provides high-accuracy, professionally executed inventory solutions for grocery retailers across the United States. Since 2006, we have partnered with regional chains, independents, and large enterprise retailers to deliver full-store physical inventories, cycle counting programs, and ongoing support for perpetual inventory systems across both the salesfloor and backroom. Our approach is built on disciplined processes, experienced teams, and a commitment to consistency—resulting in 99%+ accuracy rates and reliable execution within defined timeframes. We combine operational efficiency with advanced technology, including interactive store mapping and detailed variance reporting, to provide clear, actionable insights that support better inventory decisions. PICS offers both national and regional coverage, with the flexibility to design customized programs that align with each client’s operational goals. We take a partnership-driven approach, working closely with our customers to minimize disruption, improve inventory integrity, and support long-term performance.
