Products / Services: Refrigeration

Company Description: A-Gas is the world leader in the supply and lifecycle management of refrigerants and associated products and services. For over 30 years, through our first-class recovery, reclamation, and repurposing processes, we have been capturing refrigerant gas for future re-use or safe destruction, preventing its harmful release into the atmosphere. Our unique Rapid Recovery service is comprised of a network of EPA-Certified technicians who go to store locations, recover refrigerant racks, deliver EPA documentation, and then provide our customers with a commitment to provide a matching volume of AHRI-certified refrigerant gas. This assurance gives grocery stores the peace of mind that they can get the refrigerants they need in a tightening market.
