Products / Services: Technology Services

Company Description: Sifter is the only technology platform linking healthcare's Food as Medicine movement with food retail. Our science-based algorithms "sift" grocery foods and beverages against 1,500+ attributes, including chronic conditions such as food allergies, diabetes, and hypertension, as well as ingredient likes and dislikes — the greatest degree of personalization available today.

- Accurate, curated product data served fast
- In-store barcode scanning
- Recipe customization by health condition
- Targeted incentives that fit shopper's personal health needs
- Flexible API integration for drastically reduced development time
