Products / Services: Deli; Food Products/Snacks; Fresh; Natural/Organic; Supply Chain

Company Description: We're transforming the global food system by creating better ways to make meat, dairy and fish without using animals -- delicious, good for people, and good for the planet. Our approach: understand what people love about meat, dairy, and fish, and then explore the plant world for specific ingredients that recreate those experiences. In 2016, we launched the Impossible™ Burger: meat made from plants, for people who love to eat meat.
