Company Description:	We’re playing an essential role in industries all around the world with our know-how and the specialist heat exchange systems we manufacture. Always providing our customers a truly customised experience, wherever they need us. With our expert teams across more than 50 office locations and 6 manufacturing plants, we thrive on diversity of ideas as well as on our determination and ability to meet and exceed our partners’ needs. Together we're designing the future of cooling solutions and heat transfer systems. We power everything from keeping food fresh to providing comfortable indoor temperatures in office buildings and enabling renewable energy production. Our business has been serving the world for nearly a century and we see our heritage as a springboard for new ideas, innovation and bold ambitions.
