Company Description: We could tell you that when Sarah and Emmet Condon started Liquid Remedy in their kitchen in Melbourne, Australia, they had no idea what lay ahead. But we'd be lying. They had an inkling. It all started with some home-brewed kombucha. Their kids were into it. Their mates were hooked. Family members were dropping by more often for a taste.

So, they took a chance. Some might call it a massive risk. They had a young family. No jobs to fall back on. Some savings, a couple of credit cards. Entrepreneurial know-how, but no experience in the food and drinks world. What they did have was big aspirations and a simple belief.

They wanted to do something good. Shake things up. They knew that healthy didn't have to be boring. Healthy could be tasty. Extraordinary, even. They believed we all deserve to know that too.
