Company Description:	Columbus Consulting partners with our clients and shares their passion for building competitive and sustainable businesses. We are a retail consulting company of industry experts who have held senior level positions within the industry. We know retail because we come from retail. We are experienced retail practitioners who understand the challenges, know what questions to ask and deliver the right solutions. From design to delivery, Columbus Consulting's team simplifies the complex by providing superior, experienced and relevant consulting services that infuse customer-centricity and agility throughout the organization. We partner with clients to strategize, prioritize, select, implement & sustain complex solution roadmaps.
