Company Description:	Having a more than 50 years' experience in the starch products production Interstarch Ukraine strives to be a reliable partner. Our goal is to provide world-class products — on time, within budget, and in accordance with the specification. As a manufacturer and supplier of ingredients for the food and non-food industry, Interstarch Ukraine offers a wide range of products. More than 40 types of products obtained by processing corn and wheat: native and modified starches, glucose, maltose and glucose-fructose syrups, gluten-free bakery mixtures, corn and wheat gluten, corn oil, ingredients for feed production, and a full range of starch products according to individual customer specifications. The main areas of usage are the production of food, animal feed, and industrial products. Interstarch products are regularly tested by production and independent laboratories to ensure stable quality and meet food safety requirements. For processing, we use high-quality raw materials, grown in accordance with international standards, and also have additional demands and carry out additional control. Interstarch Ukraine constantly cooperates with a number of reliable partners — agricultural enterprises with a common land bank of more than 50 thousand hectares, which allows us to control the full cycle from sowing to harvesting grain. Our annual volume of processed corn and wheat is more than 600 thousand tons per year.
