Company Description:	In a world where corporations are benefiting from your data without your knowledge, we believe that you deserve the tools to seamlessly put your own data to work for your own benefit. ■ Pogo is your agent in today's digital world. Link your data with our app and we'll work tirelessly to find you the best ways to earn and save. Whether it's on bills, fees or everyday shopping, Pogo's always got your back. ■ We've also built the infrastructure for you to monetize your data directly with companies (if you choose). As AI commoditizes public data, what becomes truly valuable is access to real people - and data only you can share. ■ Our data economy is broken today and it's time for a reset. For the first time, Pogo puts you in the driver's seat of your data to get you the value you deserve. ■
