Company Description: Suppliers and retailers, both traditional and web, face a highly competitive and rapidly changing world. RSi has market leadership in marshaling available data, applying innovative analytics, and returning value with actionable insights every day. Insights range from rigorous analysis of web promotions, daily out-of-stock alerts delivered directly to store personnel chainwide and the massive task of cleansing and harmonizing fine grain sales and supply chain data from 225+ different retailers around the world.

Our goal is to bring operational clarity for our customers, both suppliers and retailers, so that they can operate their business more successfully. For thirteen years we have been a trusted, massive data and analytics based provider to many major CPG manufacturers and have built supplier partnerships for a number of major retail chains.
